WE DECIDED TO LIVE SEPARATELY UNTIL IT WAS FIXED, BUT IT'S SO LONELY TO LIVE APART...

SO, AT "RYUU HALL", THE 9RD YEAR CLASS 2 DORM, WHERE I WAS BEING LENT A ROOM, I MET AN ORANGE-HAIRED GUY WHO SWITCHES GIRLS ALL THE TIME! HE MAKES ME SO MAD!

SO ANYWAY, WE DECIDED TO FIND A PLACE WHERE WE COULD ALL LIVE TOGETHER. AFTER ALL, AND JIN-PAPA TOLD US ABOUT A HUGE MANSION. THERE WAS A LITTLE GIRL LIVING THERE ALL BY HERSELF, AND SHE SUDDENLY CALLED ME "PRINCESS" AND SAVED ME FROM... AND THEN SHE... AND THEN SHE... AND THEN SHE... AND THEN SHE...

PIECE 8 I'll Come Get You, Okay?

42 Iro shows up in fully clothes for the first time in 4 yrs. The way we see, I made my characters wear clothes that I want, or rather, that I couldn't look good in. Well, my ladies look really look good in normal clothes...! My clothes don't see better, regardless each month. But no matter how much I love the clothes the models (high schoolers?) wear, I have confidence that they will cover them just like "that", (laughs) It would seem that don't touch the ground. That's kind of what it's like. EHEHE, I mean.

Oh, yes, I had my birthday while I was working on this. I thank you for all the presents and wishes. I'll use all the presents I get. I got "two bags" you'd say? Yes, a thank & I want to make two bags (small good) last year.

I feel excited to meet! ■ About the first mention. Personally, I think Maelle's hair is wonderful! There is nobody in my life easily open that heavy looking face, but all things over naturally. And of thing, Aria? ■ I was working on the chapter being following. Maelle was a headband with her wings attached to it, and one of the characters were a huge, but while working, he went out for a walk around open beach. The first, and went to a cake shop in the area. The Maelle's which they had were cake. The first ended end of the town... ■

★ Autographs in Taiwan

And so I went overseas! Surprised!

★ I knew my comics were being published already, but I thought signings were only done by very famous authors, so I was very surprised when my manager said there was a request from the Taiwan publisher for me to do autographs. I did not really believe it.

★ I was told I would go after I finished my work. I was very excited.

And I was nervous. Didn't the girl the editor liked have to break as a woman?

★ Before I left, I was given the predicted temperatures in Taiwan. It said high of 20 Celsius and low of 25. It was the middle of winter so I couldn't imagine it. In the end, I just pretended it was somewhere between winter and spring and it worked out!

## PIECE 11 FOREVER = TODAY XOO

SO ■ The first mail online in Brazil. I designed it using black living chapters one, but I couldn't find a way to use it... I like the title for this chapter. Oh, so all the content has, of course! In most things manga, the heroes might say "Love continues forever" or something, but this is how I see it. You live everything as best you can, and then all of a sudden it's gone forever. How great is that? Well, what's really important is the present. That kind of thing. Oh, and what's more is the last page. Maybe doesn't think it's enough, it's just pure love! ■ In writing a bit more ginger cooking when I work. These days. Originally, there was ginger in the house for the first chapter I had, and I liked it... and so I requested more books with ginger. In addition. Ouch!

## ★ Autographs in Taiwan ③

We left for Taiwan on February 19th, Saturday (Day 10). In Taiwan, it's not all a *Wanwan* land! In Japan, girls are going elsewhere to the large city like, and in Taiwan, boys are going girls flowers. I went to a post messenger that day and he gave me flowers! They were all very supportive of *Wanwan*, but it was hard until we got out of Japan!

★ I really hadn't prepared at all and was still living at 1 on the 19th. I left my suitcase to their up, and then started to get ready. First, my bag! They wanted what I packed, and the bottles were finally ready at 7 in the morning (my suitcase is all used to sleep, and then there's one off to the bathroom at 10). I really wanted to be a water pump, but I didn't have time! It was my first time there, so I was a little worried, but they had a good job about it. I didn't need the autographs because the next day, it's too late for my way back from the bathroom. I thought some things I needed, got home, gathered up my stuff, and left to my neighborhood, and was great!

A FEELING

SINCE WE WERE LITTLE,  
OUR PARENTS WERE ALWAYS OUT.

WE WERE BY OURSELVES  
MOST OF THE TIME.

IT'S MY FAULT  
THAT KONGORO IS LIKE THAT.

BECAUSE I RUN AWAY.

YOU HEAR THE VIDEO ONE?

YOU SAW THE PHOTO, RIGHT?

RUN AWAY?

We were very  
important  
to each other,

BUT WE  
WERE HAPPY,  
AS LONG AS  
WE WERE  
TOGETHER.

WE THOUGHT  
IT WAS FINE,  
EVEN IF IT  
WAS JUST  
US TWO.

That we  
couldn't  
be together  
anymore.

But  
then...

We  
couldn't

Somebody  
else would  
be next to  
each of us...

When  
we were  
adults.

Once we  
grew up,

We couldn't  
be together

Could  
we stay  
together?

If we  
stayed  
as  
children

KOKORO

ARE  
THEY.

*"Not

BUT TO  
KOKORO, MY  
JOYFULNESS,  
THAT ISN'T  
TRYING TO KEEP  
UP AND BRISK  
WITH HER.

IS NOTHING  
MORE THAN  
AN ESCAPE...

*"I don't  
need  
anything  
anymore."*

AND  
THEN

MY TIME  
STOPPED.

"I won't  
sound  
anything  
anymore."

"If there's

"HE

"HE

KOKORO

"LEFT THE

THEY BOTH

OH...

IT'S LIKE

SOMEWHERE...

EVEN THOUGH  
THEY THINK  
SO MUCH OF  
EACH OTHER,

THERE'S NO  
FEELING  
THAT WILL  
LAST  
FOREVER,

WHERE...?

RIGHT?

SO THAT  
WE WON'T  
BE HURT

WHEN WE  
HAVE TO  
PART,

IF IT'S TRUE  
THAT SOMEBODY  
WILL EACH  
BE NEXT TO  
SOMEBODY  
ELSE,

THEN,

WE  
SHOULD  
GIVE UP  
NOW,

SO IT  
WILL

NOT WHAT THEY'LL BE IN THE FUTURE.

IT'S
